THE MENACES OF THE PUTURE. ments and these Constitutions; but they are built on the sand and cannot endure. which it protects. They cannot extin- any office of honor, trust or emolument, guish the State. "As well," in the was referred. words of Lord Plunkerr, some of whose members.

A resolution was offered yesterday that A resolution of the Convention being a paid ideas we have already borrowed, "might should extinguish his eternal soul."

Englishmen; and the attempt to degrade them to the level of Africans and make their former slaves their masters will in their former slaves their masters will in the end prove a disastrous failure. The law of Gon and Nature are not violated with impunity; and the day will come when the South will rise to its feet once more and shake off its shackles.

Men of the North, your leaders are days. trying a dangerous experiment. You are is falling, with two first and eleven making the South the shame and weak- inches in the canal. Weather clear. strike agitation dumb, you may make millions of mutes; but heware of that dreary silence, whose gloomy tacituralty is only significant of the determination of its fearful purpose. Beware of producing a state of things which may eventuate in those incidents of horour which every good man will pray Gon to those who contribute to their occurrence, when repentance like that of those who are forever doomed shall be unavailing, and contrition shall be wain." If Eog-

Nor was this less true, that was said Mr. Maynard moved for a recess until be Saums: "You may make the 10:30 a.m. Monday, which was agreed to

to us from the Past, and it is not seditious ington or treasonable to repeat them. We have heretofore said, and it is undeniable that by establishing a despotism over these ten States, and putting them be-Congress of the United States has re-It does not govern them as citizens, but payments. elegates to Satraps the power to rule them avelaves. The experiment is danrous and will prove ruinous; and if an The matter brooks no delay. The people of the North must compel the madthe halter. Shall their energy and daring be greater than those of the people who are striving to preserve that Constl intional liberty, into whose bosom these assasins are plunging their daggers that hack each other in the vitals of the Commonwealth? Years ago, Mr. BURKE

ancient law, and to defend the rempie or their forefathers, with as ardent a spirit, as can inspire any innovation to destroy the monoments of the piety and the glory of ancient ages? It is not a harded assertion, it is a great truth, that arded assertion, it is a great truth, that are successfully are gone out of their of amountition on board for the Grecian of amountition on board for the Grecian (Inserting and Inserting and Inser when once things are gone out of their of ammunity ordinary course, it is by acts out of the ordinary course they can alone be re-

the country with palliatives, is to make its dissolution certain. It requires the New York, for one year. mexa and the actual cautery. The chief TELEGRAPHIC MARKETS. conspirators are the enemies of the public liberty; and it is for the people of the North to deal with them as they firm; family, \$10(6)10 50. Wheat, \$2,356 deserve.

We of the South, where intellect and experience have coased to have snything to do with the Government, and those of the white race who have so little shame as to consent to seek for office and accept the white hands of the hands of th it at the hands of negroes, must consult Groceries, dull and unchanged. Time the which and be ruled by the idiatic thy seed, dull at \$2.25. Flax, \$2. Hogs. folly of their constituents,—we can do little to relieve the country of its calamities. In God only, and the Democratic masses of the Northern people is our tope. Yet let us not despair. To that we can always resort. And, in the words of Burke: "Even in solitude, something may be done for society. The meditations of the closet have infected Senates with subtle frenzy. have infected Senates with subtle frenzy, Hogs, active at \$6 25037; number packed and befismed armies with the brands of the furies. The cure might come from the same source with the distemper. I the same source with the distemper. I the same source with the manufacture of the same source with the distemper. I the same source with the same source w

AROMATIC
VEGETABLE Scap
Combined with Glycerine, recommended for the delicate
skim of Ladies and
Children. Invenied by COLGATE &
Co., N. Y.
Soid by all D-alers. UPON the pramises, commencing at twelve o'chook, the valuable trace of land belonging to decident, known as his NONCONNAH PLANTATION, about four miles south of Califerville, containing about eleven hundred acres, undivided into several small fams, as per plan to be seen on the putalished mans. This plantation was selected for its uperior advantages of beation and presduction, and offers great inducements to selico, grain or fruit growers, having a large proportion of open land and under good factor.

The large properties are such as are usual on a cotton farm.

At the same time and place will be sold as the LAWRENCE, CARTER & CO., GENERAL COMMISSION MERCHANTS Attachment Notice.
